A large, stylized number 853 composed of many small, rounded, pill-like shapes, arranged in a circular pattern. The number is formed by a dense arrangement of these shapes, with the '8' at the top, '5' on the left, and '3' on the right. The shapes are white with a black outline and a small black dot in the center, giving them a pill-like appearance. The overall effect is a textured, three-dimensional look.
