Googolplex Written Out

Wolfgang H. Nitsche

Stanford University

A large circular graphic composed of many small, stylized '0' characters, resembling a spiral or a large '0'. The '0's are arranged in a circular pattern, with some characters having a small dot in the center, giving them a digital or pixelated appearance. The overall shape is roughly circular, with the '0's filling the space to form a large ring or a spiral-like structure.
