

Googolplex Written Out

Wolfgang H. Nitsche

A circular progress indicator with a black outline. The number "106887" is written in a bold, monospace font at the top left of the circle. The rest of the circle's perimeter is composed of small, hollow rectangular segments, resembling a loading bar or a progress ring. The word "volume" is positioned to the right of the number "106887".

Googolplex Written Out

Wolfgang H. Nitsche

Stanford University

[illegible]

In 1940, the mathematician Edward Kasner published the book "Mathematics and the Imagination", in which he popularized the words googol and googolplex which his nephew suggested as names for big numbers.

[illegible]
$$\text{googolplex} = 10^{\text{googol}} = 10^{(10^{100})}$$
