A large circle composed of black digits. The top half of the circle consists of the digit '9' repeated approximately 18 times. The bottom half consists of the digit '6' repeated approximately 18 times. On the left side, where the '9's and '6's meet, there are some additional digits: '41648' at the top-left and '99999' below it, suggesting a specific point or range on the scale.
