

Googolplex Written Out

Wolfgang H. Nitsche

A graphic featuring a spiral shape formed by the digits 9 and 6. The spiral starts at the top left with the word 'volume' in a bold, black, sans-serif font. The digits 9 and 6 are arranged in a continuous, winding pattern, creating a sense of depth and movement. The digits are black and have a slightly irregular, hand-drawn appearance. The spiral expands outwards from the top left towards the bottom right.

Googolplex Written Out

Wolfgang H. Nitsche

Stanford University

In 1940, the mathematician Edward Kasner published the book "Mathematics and the Imagination", in which he popularized the words googol and googolplex which his nephew suggested as names for big numbers.

[illegible]
$$\text{googolplex} = 10^{\text{googol}} = 10^{(10^{100})}$$
